

2021 Jefferson Lacrosse MAN-UP! Club

It's time to Man-Up! As you know, the 2020 season was canceled. The subsequent COVID shutdowns have limited our typical sources of fundraising.

WE NEED YOUR HELP! We call on all Friends of Jefferson Boys Lacrosse to show the love and support of the JagLax **Man-Up Club** in 2021.

The 24th season's preparation includes all the pieces JagLax is known for—character development, athletic ability, lacrosse IQ, and team chemistry in new and creative ways. We want the grand tradition of JagLax to continue in much the same way as it always has. We want to reward the boy's hard work in these unprecedented times and desire to get out there and play! But without our traditional fundraising sources, WE NEED YOU to **SHOW THE LOVE!**

The Jefferson Boys Lacrosse Team is asking for your support again this year. Become a member of the 2021 JagLax **Man-Up Club** with a donation of \$25.00 or more, and you will help offset the cost of training, equipment, and coaching for our unprecedented upcoming season.

As always, we recognize donations of \$25 or more on the Jefferson Boys Lacrosse Website. Gifts of \$100.00 or more will receive special recognition as members of the esteemed JagLax Columbia Team.

We have made the entire process contact-free. You can donate to the Man-Up Club and support Jefferson Boys Lacrosse by accessing our [website](#) and clicking on the donate button.

Faithfully Yours,
Jefferson Boys Lacrosse Boosters
